## Decodable Work

### Lesson 6

The ground will tremble as the Indians ride.  
It was cold enough to make me tremble.  
The hill was visible enough from the road.  
I had an idea to put the needle through the cloth.  
The Indians would use needles to make skins.  
I had an idea to collect Indian saddles.  
My idea was possible.  
The animals would tremble when the Indians came close.  
I had enough to eat.  
The Indians were visible from the hill.
