## Decodable Work Lesson 1

The raindrop fell between us.  
I watch the mailbox every day.  
They will maintain our country.  
I own that paintbrush.  
I can put that between my waistband.  
They will watch the tailgate.  
I will go to that country.  
Mom will put the sheet between the bed.  
Fred will go out to his own mailbox.  
I can sit and watch the raindrops.

---

## Decodable Work Lesson 2

The country is on the mainland.  
Put your hand between the handrails.  
That country will reclaim the land.  
I can watch the detail the painter will use.  
I have my own complaint.  
She can unchain her own hand.  
Between us, he has a complaint.  
I want to watch our country grow.  
I have my shirt between my waistband.  
The raindrops will be fun to watch.

---

## Decodable Work

### Lesson 3

My payment to my country is to serve.

Her mom will own a playpen soon.

I will get my paycheck between months.

I watch people on the subway.

Put the crayon between the red and black.

I will not betray my country.

There is a long delay, so I will go on my own.

What country will you go to on your holiday?

I will watch the kids over the holiday.

I have one more payment and then I will own my car.

---

I have one more payment and then I will own my car.

## Decodable Work Lesson 4

I will stand between my classmates.  
Tom will get his own upgrade on the plane.  
I need to watch my lateness to work.  
The estate is in a different country.  
I will go away to a different country.  
Ned will check his own mistakes.  
We will watch them put up the landscape.  
I will exhale when I relax.  
He can make his own pancake.  
Can I watch you make your pancake?

---

## Decodable Work Lesson 5

My shipmate went to a different country.  
I can make my own estimate.  
She will get an upgrade to a better seat.  
Can we watch them demonstrate the move?  
The debate will be between the two of you.  
Ned can make his own statement.  
My country will make a statement.  
I have my own estate.  
What can we watch?  
Can you watch your classmate work?

---

## Decodable Work Lesson 6

The school is by the freeway.  
My father is sleepless.  
I started to save keepsakes.  
Her father has a sweet keepsake from her.  
I indeed want to go to school.  
I started to climb to the treetop.  
Your father will proceed up the steps.  
I will go to the speedway after school.  
I can watch you at the speedway.  
My father will have freedom in this country.

---

My father will have freedom in this country.

## Decodable Work Lesson 7

I will find a seashell after school.  
The sunbeam started to shine.  
My father will put water in the teapot.  
I do not have a teapot at school.  
I can not have a peanut at school.  
My father will give me a peanut.  
His father can get seasick on a boat.  
I started to get seasick when we left.  
She started the steamship up to go.  
We will look at seaweed at school.

---

She started the steamship up to go.  
We will look at seaweed at school.

## Decodable Work Lesson 8

My father will call me peanut.

What reason do you have to not go to school?

My father started to have weakness in his legs.

His father is very cheerful!

I saw a seahorse at school.

I started to run after a beaver.

My father likes the fall season the best.

I can deepen the hole if my father helps me.

She started to see the beacon in the sky.

Who is my teammate at school?

---

## Decodable Work

### Lesson 9

My father started to put the beef in the freezer.  
We do not have a freezer at school.  
I can see the treetop from on top of the school.  
His father put the car in the roadbed.  
He drove it off the roadway.  
My father told me not be boastful.  
I eat oatmeal at school.  
At school, I put my hat on the coat-rack.  
His father put the cardboard in the yard.  
My father had a boatload of shrimp.

---

His school has a yellow bus.  
My father will help me make a snowman.

## Decodable Work Lesson 11

I can see the rainbow with my eyes.  
It is hard to see Earth in space.  
The city had a lot of snowdrifts.  
My bathrobe has Earth on it!  
The backbone of the city is the people.  
I can see the city with my eyes.  
Earth can not explode.  
Her eyes look hopeless.  
I want to explore Earth.  
On Earth, we can get sunstroke.

---

There are many highways on Earth.

The city will give me new insight.

The city looks nice at nightfall.

I can see the gaslight with my eyes.

## Decodable Work Lesson 14

With no eyes you would be sightless.  
The Earth is full of brightness.  
There is a spotlight in the city.  
Sit upright on the city bus.  
The nightingale roams the Earth.  
I dislike the city.  
I can run sideways if I shut my eyes.  
We can see the lifebelt with our eyes.  
I can see nineteen stars from Earth.  
It is mealtime in the city.

---

My eyes see your classmate over there.

## Decodable Work Lesson 16

I thought I knew that story.  
We knew that would explain it.  
My shipmate told a fun story.  
I thought you would upgrade your seat.  
My head is confused.  
I thought I knew my costume.  
The costume had a good story.  
I put perfume on my head.  
I will resume my story.  
I thought it was obtuse.

---

My head had a peanut on it.  
I thought it was nightfall.

## Decodable Work Lesson 19

I thought the trip was hopeless.  
I can maintain the song.  
The pilot put a helmet on his head.  
We thought there was a rainbow.  
I thought I would proceed to the path.  
In my head I will daydream.  
Keep your head upright.  
I told a story about a man on a tightrope.  
I could not think of a reason in my head.  
I thought it was daytime.

---
